

Walk for Autism – 40 years and counting!

More than sixty members of the Alpha Phi Omega Service Fraternity's Lambda Omicron Chapter of West Virginia University gathered at 6:30 a.m. in the Crown Plaza Hotel parking lot in Bethel Park and began a 78-mile trek down Rout 19 to Morgantown. With the support of sponsors and donations picked up along the way, the chapter has raised cumulatively more than \$108,000 for the Autism Society of Pittsburgh since 1975. Chapter runners and leaders include Caytlen Miller (President), Emil Kangi (Service VP), Kevin Bollard (Membership VP) and Darrick Phillips (WVU APO Secretary).
